Remarks

Remodeled FULL BRICK, deepwater home with sunrise marsh views! No private dock but the community dock and boat launch are just steps away. Features include architectural shingles, side entry garage, screened porch, upper deck, gutters, and ample parking with enough room for boat parking onsite! Interior upgrades include luxury vinyl plank flooring in all areas except bedrooms, wrought iron staircase, flat bar island, new lighting, fresh paint throughout, epoxy garage floor, gas log fireplace, crown molding, and walk-in pantry. Stainless appliances compliment the gray cabinets, tile backsplash, and solid surface counters. Amazing split-level floorplan offers a primary suite with tall ceilings and sitting area along with a secondary bedroom on the main level, then two bedrooms and a bonus/rec room on the downstairs level. This lower level would make a great in-law suite! Exceptionally large laundry room with sink and more cabinetry. Could easily become a second kitchen! Screened porch & Trex decking.
